# Best in Class Hotel Amenities Supplier in India

A prominent Hotel Amenities Supplier in India, our brand has its roots in Jodhpur, Rajasthan. Our expertise lies in the production of Hotel Supplies Products and Washroom Automation systems, catering to the hospitality industry's diverse needs with precision and excellence.

## Our expertise

We are committed to revolutionizing the in-room experience for hotels, shopping malls, hospitals, airports, and other establishments by offering cutting-edge, eco-friendly, and top-notch products. We believe in the power of attention to detail, recognizing that even the minutest aspects can have a profound impact. Our dedication to staying at the forefront of innovation ensures that our services are not just thoughtful, but also geared towards outpacing the competition.

At ElriBird, authenticity and adaptability are at the core of our ethos, driving us to build strong relationships with our clients. Our expertise in crafting personalized solutions tailored to individual requirements sets us apart. We are eager to collaborate with you, offering top-notch products, competitive prices, and continued support post-purchase.

**"We don't just do business, we build partnerships that fuel growth and drive success - together with ElriBird."**

# Hair Dryers

Elevate the guest experience in your hotel with Elribird's premium range of hair dryers, designed to meet the unique needs of hospitality establishments. From foldable options for compact convenience to wall-mounted solutions for space optimization, Elribird offers a versatile selection of hair dryers to suit varying hotel requirements.

- Elribird offers foldable hair dryers that are ideal for hotels as they are compact and easy to store in rooms without taking up much space.
- Elribird's wall-mounted hair dryers are a great space-saving solution for hotels, especially in bathrooms where counter space is limited.
- These dryers can be easily installed in guest rooms or bathrooms, providing a fixed and convenient hair drying option for guests.
